/VFivehomes

VFive Amrutha is an exclusive 2 and 3 BHK budget luxury spacious apartments, nestled in a beautifully crafted tower. The project offers you tranquillity, utmost privacy, and spectacular view. All the apartments in this project are spacious with ample ventilation, natural light, and minimum common wall sharing. Its interior is equally impressive that, the master bedroom and living space of each apartment is open to a natural serenity. A coveted address that situated in the future city of Trivandrum.

WHY TECHNOCITY ?

Technocity is being developed as an Integrated Township and it will include commercial space, retail facilities, multiplexes, hospitals and schools. VFive Homes Amrutha Luxury Apartments is just a walking distance from Indias upcoming largest Nissan Digital Hub, Technocity. This will enable employees and other professionals to enjoy a world-class lifestyle within walking distance of their offices.

SUPREME RESIDENCES FOR A MODERN LIFESTYLE.

VFive Home is more than a living space, it's a place where draw our strength from, where we plan our dreams and we find our love. At VFIVE Homes it's a constant quest and an abiding commitment to ensure that the relationship with this space and the lives ensconced in and around, feel truly enriched, enhanced by understanding what a discerning style demands.

We envision a future where VFive Homes is a synonym for quality and affordability. A future wherein our brand symbolizes unique landmarks and superior community living of the highest standards of quality and customer gratification. We envisage ourselves to be one of the leaders in realty with a Pan-India footprint and be the first-choice amongst the customers across all realty verticals.
